**Bug Patterns** page 1 of 2**Note to Families**

This Home Connection shows four different bug patterns. Your child will figure out how the pattern is repeating and how to complete it.

Materials

- Bug Patterns, pages 1 & 2
- scissors
- glue or tape

Instructions

- 1 Cut out the bug boxes at the bottom of page 2 of this assignment, and sort them into two piles—ladybugs and spiders.

- 2 Look at the pattern at the top of the worksheet. How does it repeat?
- 3 Place bugs into the empty boxes to complete the pattern.
- 4 When you are sure the pattern is correct, glue or tape the bugs into the boxes.
- 5 Do the same for the other three patterns.
